News of Petersburg

Times-Dispatch Bureau.
5 Bollingbrook Street,
(Phone 1485)
Petersburg, Va., May 10.
East Hanover Presbytery at the recent session, in Richmond, commissioned the following ministers and elders to organize the Third Presbyterian Church in Petersburg: the Rev. J. A. McClure, pastor of the Second Church in this city, chairman; the Rev. C. R. Stirling, pastor of Tabb Street Church; the Rev. J. Calvin Stewart, pastor of the Church of the Covenant, Richmond, and Ruling Elders John W. Friend and Willis M.

Smith. The organization of the new church will be consummated to-morrow afternoon, the services to be held in the Westminster Chapel on West Washington Street. The new church is the growth from Westminster Chapel, which was founded by the Second Presbyterian Church several years ago, and has since been under its direction. The Rev. J. Woodrow Hassell, of Fredericksburg, will be pastor of the new church.

ELKS' STAG RECEPTION.

The stag reception and entertain-

ment given in their home last night by Petersburg Lodge of Elks, in honor of the twenty-first anniversary of the lodge, and of the completion of the many improvements to the home, was a most delightful and enjoyable affair. The occasion was different in its features from the reception of the previous evening, when a great many ladies were guests of the lodge, but it was none the less enjoyable in its social features. Every resident member of the lodge was present, and the membership embraces many of the most prominent citizens of Petersburg, and all entered heartily into the celebration of the anniversary. A splendid menu was served. Amusements were furnished, and a band of music added to the interest. A short delegation of brother Elks from Rich-

mond, headed by Henry Boykin, of the Board of Police Commissioners, were among the guests of the evening.

TO RAISE VETERANS' FUND.

Sons Will Undertake to Provide for Trip to Gettysburg.

At a special meeting of A. P. Hill Camp, Sons of Veterans, last night, resolutions offered by Past Commander P. H. Drewry were unanimously adopted, providing for the appointment of a committee to solicit funds from the citizens of Petersburg to pay the transportation expenses to and from Gettysburg, of Confederate veterans who may desire to attend the peace celebration, but who are unable themselves to bear the expense. This action was taken because the Common Council decided that under the charter the city could not make an appropriation for such purpose. About \$750 is needed. The committee named under the resolution is composed of representative citizens, as follows: Samuel D. Rodgers, chairman; George Mason, Jr., W. R. Mc Kenney, George Cameron, Jr., R. H. Mann, P. H. Drewry, T. F. Heath, L. R. Goulder, D. A. Lyman, Jr., H. C. Southall, Jr., C. S. Russell, E. L. Piers. With such a committee it is believed that little, if any, trouble will be experienced in raising the money.

DEATH IN SUSSEX.

W. T. Tyrus, Well-Known Citizen of County, Passes Away.

W. T. Tyrus, aged sixty-eight years, one of the best known and most respected citizens of Sussex County, died yesterday afternoon at his home at Booker. He has been in poor health for some time, and twice within the past year had been under treatment in the Petersburg Hospital. Mr. Tyrus was the father of L. W. Tyrus, editor of the Southside Virginia Dispatch, published at Waverly and Claremont.

SUSSEX CIRCUIT COURT.

The May term of the Circuit Court of Sussex County, Judge West presiding, will be held the coming week. There are a number of cases of interest on the docket, chief among which is the case of the Commonwealth against Frank Jackson, negro, indicted for the murder last fall of Andrew J. Dunn, a farmer of the county, who was shot to death in the public road. At the last term of the court Emanuel Jackson, the father of Frank, was convicted a participant in the murder, but the trial of the son was continued, that examination as to his mental condition might be made.

VISIT OF EXPERTS.

The visit to the city yesterday afternoon of several experts from the recreation conference was helpful in the valuable suggestions made as to the establishment of playgrounds in Petersburg. They were impressed with several locations. This afternoon a large delegation of the conference experts came over to and were driven through the city. Among them were President Lee, of Boston, head of the Play and Recreation Association of America, and George Parker, of Hartford, a great park expert. They were met and taken under escort by a committee of prominent citizens, and driven about the city. They made many suggestions of value. The people of Petersburg are much interested in the establishment of suitable recreation and playgrounds, and a strenuous

movement is to be made to get them.

General News Notes.

So far, no candidate for the House of Delegates for the district composed of Sussex and Greenbush Counties have been announced, though several are talked of. Among these are W. H. Purdy, of Emporia, Dr. Charles D. Towth, of Waverly, and R. H. Most, of Booker.

Mrs. B. B. Booth, who has been visiting friends in Texas and Missouri

for some weeks, has returned home.

No tobacco was sold at the warehouses this week, the weather being so dry that the farmers cannot put it in order for market. Very little was sold last week for the same reason.

Colonel William Blackford Davis, retired, and Mrs. Davis, are visiting their brother-in-law, William L. Zimmerman, Colonel Davis is the son of the late Professor John S. Davis, of the

University of Virginia. During the past twenty-eight years he has seen much service in the United States and our insular possessions.

The Petersburg Chatauqua will be held from May 29 to June 4, inclusive. A big tent capable of seating 2,000 people will be erected on the West Hill warehouse lot, with entrances from East Tabb and Adams Streets. Lectures by men of prominence, concerts, moving picture shows, and other features have been provided.

\$1,000 For Four Bottles Tripp's Brown Bitters

A big price? But the four bottles were worth it. After suffering two years with indigestion and other troubles, and spending enough money to buy a home, spending several months in hospitals and taking treatments from several physicians, not able to rest at night, restricted in diet until almost starved. Finally tried Tripp's Brown Bitters, and in less than four months after taking the first dose was able to keep house. Yes, the four bottles were worth \$1,000. It was worth almost that much to hear Mrs. Johnston tell what Tripp's Brown Bitters did for her. If you are a woman, write Mrs. Johnston. Inclose self-addressed stamped envelope for reply, and she will write and tell you more than is contained in the testimonial.

The National Remedy Co.,
603 East Main Street:

Gentlemen—I will gladly add my testimony to those already given in behalf of TRIPP'S BROWN BITTERS. I was sick for two years, in an almost helpless condition from a complete nervous breakdown. Spent hundreds of dollars in hospital and doctors' bills, with no permanent improvement whatever, when my sister advised me to try this remedy, which I did. Now, with the greatest of thankfulness to TRIPP'S BROWN BITTERS, I am able to do my work and walk three and four miles. Am perfectly happy in the restoration of my health.

Will gladly recommend it to any and all who have suffered as I did. I began to improve with the first bottle.
